

Attn:

Old Orchard Service League requests that you make a **tax-deductible** donation for its upcoming 2009 auction, which is scheduled for April 3rd 2009 at the Villa Ragusa in downtown Campbell. Old Orchard Service League is a non-profit organization (Fed ID # 77-049-6308) which raises funds for Old Orchard School located near downtown Campbell. Auction proceeds are used for enrichment programs at the school. This is the Service League's major fundraising event of the year.

Old Orchard School opened in 1973 with one room, one teacher, and six students. Today Old Orchard has two campuses and approximately 160 students. The school offers its students a challenging academic education and a wide exposure to the arts and sciences in a friendly environment.

This is a great opportunity to support the school's enrichment programs and to advertise to our parents, as your business's name will be prominently displayed with your donation and highlighted in the auction program. **All donations are needed by March 16th.**

On behalf of the students, thank you very much for your consideration. I look forward to speaking with you soon.
